

  
*"And do not forget to do good and to share with others, for with such sacrifices God is pleased."*  
- Hebrews 13:16

## More Than a Roof

Our More Than A Roof program offers a unique experience and opportunity for groups from Canada and the USA to engage in relationships and connection with a local church in San Quintin. While serving for a week, groups can be part of building a home for a family, serving community meals, participating in kids' programs, completing community or church projects, or supporting a local organization. We emphasize

building relationships across cultures and broadening the worldview of those who participate. You will be providing a safe haven and home for families in need. The more funds raised, the more homes we can build!

## Education

Every gift goes towards a backpack filled with school supplies for kids. We partner together with donors to ensure kids can access the tools they need to make the most of their education.

Since starting this impact area, generous donors have been able to provide 100 children with backpacks and supplies each year. In 2023, 100 backpacks were generously supplied. The team reports that the pastors are overwhelmed with requests. The majority of children One Life serves come from indigenous and/or farm worker families.

## General Operations

**People** are the heart of One Life One Chance Ministries. Building trust across cultures and languages takes time and hard work, an investment that our founders knew was essential for mission work and which One Life continues to champion.

**Partnership** is the language we speak and long term relationship building is our strategy.

**Transformation** is One Life's goal. One Life is motivated by outcomes, not outputs. Transformation for us is not a transactional process. One Life defines transformation as whole-person development that is life changing, flourishing for the better and builds a brighter future for themselves and future generations.

### One Life's Mission:

Partnering with people to transform communities for the glory of God.

### Focus Areas of Transformation

One Life's transformational focus in San Quintin is on poverty relief, providing food, shelter, educational resources and spiritual transformation through equipping and evangelism.

### Methods of Transformation

One Life provides operational resources to each impact area in order to bring about transformation through local and international teams.

PARTNERING WITH PEOPLE TO TRANSFORM  
COMMUNITIES FOR THE GLORY OF GOD.

OPPORTUNITIES THAT  
**FOSTER GIVING,  
UNITY AND GROWTH**  
FOR YOU, YOUR TEAM  
AND THOSE IN NEED

Community Outreach

Meeting immediate needs, Community Outreach provides food hampers, community meals, and cold weather aids like blankets. Community Meals are often combined with an evangelistic outreach event hosted by each congregation so the community is welcomed to join the church as their church home for their spiritual needs as well as receiving a meal. Food hampers are provided to those who have received a home from One Life and also serves as a link for support, fellowship and encouragement from the One Life team. They are the ones that often are the most supportive and continually give their thanks to the team and prayers for the ministry for all that God has done in their lives. It is inspiring to see the transformations!
